Scott provided us with the account balance \$7638.04 as of 5/31/2007.

Scott W. has the final 501(c)(6) paperwork from the attorney and is contacting the CPA to do the final paperwork for the government and state.

Pete went over our status that we have accomplished the main goals for the year of having the meetings and sponsors scheduled, removing jobs corner and getting the paperwork done for the corporation (almost).

The next question is what do we want to do for the rest of the year.

Old Business:

None discussed

New Business:

The board voted unanimously to terminate jobs corner.
