## Items:

1. The board discussed the attendance issues and ways that we could increase the numbers back to the averages we were seeing at the old location. Several ideas were discussed including moving back to a location near Addison.
2. Erik reported that March, and June were booked. May was working out the details but no plans for April at the moment.
3. Due to the bad weather that forced us to cancel the February meeting we commented that it would be appropriate that we need to make announcements around the bad weather months to watch the announcement list for confirmation of closure. We will generally follow the Plano ISD if bad weather is present. If Plano ISD is closed then JavaMUG will not hold the meeting that night.
