Reports:

Treasure's Report – Scott Williams

Scott provided us with the account balance \$7243.15 as of 4/30/2007.

Scott W. has the final 501(c)(6) paperwork from the attorney and is contacting the CPA to do the final paperwork for the government and state.

Old Business:

None discussed.

New Business:

JavaMUG is paying travel cost for the June speaker.

Andy Hoffman has been tasked to create a new job-corner Google group for the recruiters. He should post to the jobs group that we want recruiters to sign up on this list if they want to participate in the jobs corner.

Steve Davidson mentioned that SWA is interested in hosting JavaMUG rather than SUN. Participating board members were not interested since we have no real reason to move.

Pete Carapetyan discussed the groups page. We will begin removing bad groups.
